2023 CLUB OFFICER INFORMATION SHEET

The Victoria Skeet and Trap club is a premier “volunteer-run” clay target shooting facility in South Texas.

The Victoria Skeet and Trap Club is a non-profit organization that promotes the clay target shooting sports in Victoria and surrounding counties. We are also the home club of the Victoria County 4-H Shotgun Team and host several 4-H and corporate events at our range.

We want to promote the safe use of sporting shotguns and teach new shooters the positive aspect of ownership of firearms. We want to teach newcomers to the sport, the fun, safe, recreational uses of the shotgun as well as the competitive side.

We do NOT have any rental guns or ammunition for sale (no pro-shop of any kind). The club is a “volunteer-run” club and is open to the public when members are present.
